

MCHP

**Maine College of
Health Professions**

**CALLING ALL MEDICAL
IMAGING PERSONNEL!**

**Interested in earning your
ARRT CT certification?**

MCHP offers a ONE-SEMESTER CT program that fulfills the ARRT structured education requirement for post-primary certification. The program includes Sectional Anatomy and CT Principles and Applications courses, with clinical placement available if needed.

**Interested in earning a
bachelor's degree?**

CT courses transfer directly into MCHP's Bachelor of Science in Medical Imaging degree program!

**Apply now to secure your
spot in our May 6 cohort.**

Application fee waived for a limited time.
